

Windmill Post Winter 2025

**For the Communities of
Rogiet, Llanfihangel &
Common-y-coed**

Edited by Cllr Phil Ellwood

What we have been doing

Since the last edition of the Windmill Post, Robin Castree has stepped down. We thank him for his brief but valuable contribution to Council and the Community. We are now in the process of co-opting a new councillor. See our vacancies article on Page 4.

We have continued to maintain our core services to the community, including play park and games court equipment, grass / hedge cutting (we pay MCC to do this), taking care of our war memorial, emptying dog waste bins, responding to planning applications, providing a Christmas tree and lights, and helping residents access services from MCC and other agencies.

Recently we changed the way that the MUGA lights are operated to a push button solution - to be more convenient to residents and to require less management from the Council. Since that change we have been pleased to accept some new hirings from sports organisations wishing to use our facilities.

In July, we installed a new defibrillator and cabinet at Rogiet Church Hall. This replaced the previous units, which had unfortunately suffered water damage.

We have continued to maintain the Rogiet Hub (Pavilion) building, which provides facilities for two local organisations: Little Tigers Daycare, and Severn Tunnel Football Club. The building continues to be an expensive-to-maintain asset with low revenue returns with little potential to improve the financials. See our Rogiet Hub update article.

The new planters at the bus stops on the north side of Caldicot Road have proved to be popular with residents and are much smarter and easier to take care of than the old wooden ones. The summer bedding plants lasted for a good many months and now they have been replaced with winter stock, plus bulbs for the spring colour. We are considering options for replacement of the wooden planters at South Grove and Slade View, as they are now in very poor condition. We continue to keep the stone trough planters by the war memorial looking attractive in all seasons.

We were delighted to run the Rogiet in Bloom competition this year; and we hope to repeat it next year. See our two-page article on Pages 14 and 15 for results and photos!

We have provided financial support to various community groups and services, notably this year to Monmouthshire County Citizens Advice, and to Rogiet Community Junction, for their Christmas tree. We have also lent practical and neighbourly support to Rogiet Community Junction, leading up to the opening of their new community café and shop.

We have regularly attended MCC's Severnside Area Committee and One Voice Wales meetings, where we make sure Rogiet's needs and priorities are voiced.

From all at Rogiet Community Council: we wish all our readers a happy and peaceful Christmas and a prosperous New Year. See you in 2026!

Our future plans

Our main focus in the coming months will be to progress our vision for improving village life through our Rogiet Hub project - see our update article on Page 3.

As part of the Hub project, or perhaps ahead of it, we will look at options to improve the

accessibility aspects of the gravel path from Rogiet Playing Fields car park to the Hub building and the MUGA. We are currently consulting MCC and potential contractors.

We will progress our Five-Year Plan, to ensure it describes our vision for the community. In connection with this, we are inviting volunteers to join our Working Group. See our vacancies article on Page 4.

We will of course continue to maintain and improve core services and keep a close eye on any strategic developments with impacts on Rogiet, for example, TfW / MCC proposals for development of STJ Station and access from the B4245 and M48. We will also continue to monitor the progress of MCC's Revised Local Development Plan (RLDP).

We will continue our series of quarterly Councillor Surgeries, where residents can come to speak to us about their concerns and learn more about what we are responsible for; and, for subjects out of our remit, how to make reports to the responsible agencies. We will alternate locations and times of the surgeries between the Pavilion (evening) and Rogiet Church Hall (daytime). See Page 5 for the timetable.

Rogiet Hub - update

Since the last edition of Windmill Post, we have had our planning approval from Monmouthshire County Council to refurbish and re-configure our existing building to provide improved community facilities with better accessibility, and to build a new detached building to provide sports changing facilities.

We are now starting the process of creating a full Business Case to support potential applications for funding the development. We also continue to set aside funds into our ear-marked reserves.

<<< We now need an experienced Business Case writer to help us with this next phase. See our vacancies article on Page 4. >>>

Perspective view showing access improvements and new sports changing cabin

We need your help -

in the following roles:

Community Councillor

Rogiet Community Council currently has a vacancy for a Community Councillor. Are you passionate about our local area? Would you like to play a role in shaping decisions and supporting initiatives that benefit Rogiet?

To apply, please complete the form on the News page of our web site.

Working Group Members

We have two Working Groups of councillors and the clerk that we wish to expand and strengthen by inviting members of the public to join us as volunteers to help us in our work.

Hub Working Group: to develop the feasibility, design, planning approval, build and operation of the refurbishment of the community building named Rogiet Hub (also known as the Pavilion).

Five-Year Plan Working Group: to develop and recommend a Five-Year Plan for the communities of Rogiet, Llanfihangel and Common-y-coed.

The Working Groups are given direction from and report back their recommendations to the full council.

Business Case Writer

We have a specific and fairly urgent need to find someone with professional experience in writing Business Cases, ideally in the public or community sectors. We need these skills to be able to produce the Business Case for our Rogiet Hub refurbishment project.

Ideally we would like someone suitable to join our Hub Working Group, see above, as a volunteer, but we are also open to the idea of paying someone on a part-time, fixed-term contract basis.

We aim to have our Business Case completed in Spring/Summer 2026, to then take forward into funding applications for the Hub.

***For further information on any of the above opportunities please contact our Clerk.
See contact details on Page 28.***

Councillor Surgeries

Come along and meet your local councillors. We can help with local issues and concerns. Or just come along to learn more about the area.

Surgeries will take place quarterly in the coming year:

- ◆ Tue 2nd December 2025: 10-11 am at the Church Hall
- ◆ Mon 2nd March 2026: 6-7 pm at Rogiet Hub (Pavilion)
- ◆ Tue 2nd June 2026: 10-11 am at the Church Hall
- ◆ Mon 7th September 2026: 6-7 pm at Rogiet Hub (Pavilion)

Magor Forget-Me-Nots

**A get-together for anyone affected by
or caring for someone with dementia.
A friendly and supportive place to chat,
drink tea and coffee, and be encouraged.**

Magor Baptist Church
1pm - 3pm
Every other Wednesday

**For details call Helen on 07963 853827
E-mail: hellwood29@outlook.com**

Rogiet Remembers

Despite the rain there was a good turn-out for our Remembrance Service at the War Memorial on Sunday 9 November. Minister Glyndŵr Hackett led the Service; Mr Peter Wilson read out the names of the fallen in WW I & II, the Act of Remembrance, and the Kohima Epitaph. The Last Post and Reveille were played by Mr Peter Bray. Wreaths were laid by civic heads, Royal British Legion representatives, and members of the public. Afterwards, refreshments were enjoyed in the pavilion, out of the rain.

On the morning of 11 November our Chair, Cllr Phil Ellwood installed a wreath and miniature crosses in front of the Unknown Tommy (the Silent Soldier) on Caldicot Road.

With Wings as Eagles – Remembering Harold Sheppard

(article by Steve Trow)

Back in 2023, on Friday 16th June to be precise, I found myself enjoying a quiet pint at Hive Mind Brewery when I heard music playing in the background by a band called Public Service Broadcasting. Intrigued by their sound, I looked them up when I got home and discovered a track titled Spitfire.

That evening, while out walking the dog and listening to that very song, I was reminded of a gravestone I'd once noticed in St Mary's churchyard which had the name of a fallen RAF member from WWII. It wasn't the grave of the young man himself, but that of his parents, William and Beatrice Sheppard, and it mentioned their son who had died while serving in the RAF. The date caught my eye: 17th June 1943. I was struck by the significance — it was

almost exactly 80 years to the day since his death. I'm sure someone nearby must have had a smoky fire going, because my eyes began to water.

The young man was Sergeant Harold Francis Sheppard, a Flight Engineer in the Royal Air Force. He was just 20 years old when he was killed in action. The next day, I returned to the grave and laid some flowers in his memory.

I wanted to learn more about Harold. The internet offered some help, but not everything. I discovered that he was buried in Rheinberg War Cemetery in Germany.

As Flight Engineer aboard a Lancaster bomber, Harold would have been responsible for monitoring the aircraft's engines and systems, managing fuel, and assisting the pilot during critical phases of flight. His role demanded technical skill and calmness under pressure, especially during long and dangerous missions over enemy territory.

On the night of 16–17 June 1943, Harold took part in a major RAF Bomber Command raid on Cologne, Germany. The operation involved 202 Lancaster bombers and 10 Halifaxes, drawn from several bomber groups including the Pathfinder Force, of which Harold's squadron - 156 Squadron - was a part. These elite crews were tasked with marking targets for the main bomber stream using advanced radar systems.

Tragically, 14 Lancasters were lost that night, including Harold's aircraft, Lancaster EE122, which was shot down near Braunsrath by Luftwaffe night fighter ace Hauptmann Manfred Meurer, who himself died in a mid-air collision with an RAF Lancaster the following year.

Still, I had no idea what Harold looked like. However, a brief conversation with Peter Strong, a man with deep local knowledge, finally brought forth a photograph. There he was — a fine young man, cut down in his prime, making the greatest of sacrifices. Harold's name is there along with others who gave their lives on a plaque in the church. Peter's son later managed to locate Harold's gravestone in Rheinberg while watching the Euros in 2024.

On his headstone is a verse from Isaiah 40:31:

"They shall mount up with wings as eagles; they shall run, ... and not faint."

From a song in a brewery to a name on a gravestone, Harold's legacy reminds us that even in a small village like Rogiet, stories of bravery and loss are woven into the very fabric of our community. Harold and all who gave their tomorrows for our todays must never be forgotten.

Who is Elizabeth Sparks? (article by Peter Strong)

Every day, thousands of vehicles pass Elizabeth Sparks Close, the complex of bungalows along the B4245 at Rogiet. Some may wonder who Elizabeth Sparks was and why the bungalows are named after her.

Elizabeth Eleanor Sparks (no 'e' - the road sign is incorrect) was born Elizabeth Bridges in Peckham, London in 1877, the daughter of a shipping clerk. As a young woman she is reputed to have been a suffragette. In 1904, at the age of 26, she married Edward Sparks, a railwayman, later giving birth to twin daughters, Lily and Violet, and a son, Sidney.

In 1914 the family moved to Rogiet, settling in a house on the main road at the Ifton end of the village, with Edward taking up a post as an engine driver at Severn Tunnel Junction.

As her family grew up, Elizabeth became involved in local affairs. In 1918, the year in which some women got the vote, she became the first

secretary of the Women's Section of the local Labour Party. In 1927 she was a founder member of Ifton Parish Council, and then a member of Rogiet Parish Council when it merged with Ifton in 1935. In 1922 she was the first "woman chairman" of Larkfield Grammar School (Chepstow) governors. She was chairman of the Child and Maternity Welfare Association in the Caldicot district and of the Caldicot and District Nursing Association.

Edward was an active member of ASLEF, the train drivers' union, and when, in 1924, ASLEF formed a women's section, to involve mothers, wives and daughters in union work, Elizabeth became the first Secretary of the Severn Tunnel Branch.

Members were entitled to various benefits. The first baby to qualify for maternity benefit, Ilene Bertha Davies, was born to a member of the Severn Tunnel branch. Her parents were presented with "a silver spoon and crusher".

Elizabeth became National President in 1926 and in 1931 National Secretary, serving for 16 years until 1947. She visited ASLEF Women's Section branches around the country giving talks on trade union and political matters. In 1937, for example, she visited the Newport branch to explain how members could support the Spanish government in the civil war against General Franco and the fascists. It is reported that when she needed to go to meetings in London, a quick phone call was enough to ensure that any train passing through Severn Tunnel Junction would stop, even if it was not scheduled to do so.

For 21 years she served on the National Committee of Working Women's Organisations, which brought together several organisations, including the National Federation of Women Workers, the Co-operative Women's Guild and the Railway Women's Guild, with

the aim of helping women achieve representation on local, national and international organisations. As such she would have rubbed shoulders with future Cabinet Ministers such as Ellen Wilkinson, Margaret Bondfield and Jennie Lee.

During the Second World War, while Edward served as an Air Raid Warden, Elizabeth is recorded as being in 'Air Raid Service'. Parish Council records note that, having one of the few phones in the village, she stayed up every other night ready to report any incidents. (The other nights were covered by Mr G H Baker, headteacher of Rogiet School).

In spite of her national activities Elizabeth continued to play a role in local matters. Much of her local work concentrated on improving the education of children. In 1938 she organised a petition calling upon Monmouthshire County Council to open a new primary school in Rogiet. Although delayed by the war, this work came to fruition with the opening of the new school in 1950. Her involvement in so many activities meant she was a common sight and was frequently seen "rid(ing) a tricycle about the village in long skirts".

She finally retired from public affairs in 1955 at the age of 77 and died in 1961 at the age of 83. She was buried in St Mary's churchyard.

Having the bungalows named after her is a tribute to the way she served her community for many years - but it would be nice if they could get the spelling right!

RCC would be very interested to hear from anyone who has memories of, or information about, Elizabeth Sparks or her family.

Photo by kind permission of the Sparks family.

Rogiet Community Junction Opens Its Doors!

After many weeks, months and years of work, the new shop and cafe in the heart of the village is finally open and we'd like to welcome our lovely new General Manager, Rosie, and Chef, Tom.

Our founders, Fay, Ilona and Katherine and the whole team want to thank the community for all of their support throughout our journey to this point, whether you have visited the weekly cafe, supported our fundraising efforts, volunteered your time or spread the word, we couldn't have done this without you!

The Junction is community powered, and aims to bring people together through good food, shared purpose, and local connection. We provide space to volunteer, learn, and grow, supporting all ages and building a sustainable future by investing in people, local produce, and our community. We've been blown away by the response since we've opened and we can't wait to see how we grow over time.

If you haven't been yet, you can expect a warm welcoming space where you can have a delicious brunch or lunch, browse our range of produce and household essentials in the shop, or enjoy a coffee and a slice of homemade cake. It wouldn't be us, without the homemade cake!

We still need volunteers, so even if you can only give a little bit of time, we'd love to have you! Pop in and fill out a volunteer form, or contact us by email to find out more: rogietcjteam@gmail.com

Opening hours

We're open 6 days a week, Monday - Saturday.

Shop: 9 am - 5 pm for you to pick up all of the essentials.

Cafe: 9 am - 4 pm, serving hot food until 2 pm and coffee and cake all day.

You can find us at the top of the park: Westway, Rogiet, NP26 3SP. We have limited parking, so if you are able, why not join us by foot.

We look forward to welcoming you soon!

We would love for you to come and join us for our annual 'Carols Around the Tree' event, which will be held at The Junction on Friday 12th December at 6:00 pm.

Ariennir gan
Lywodraeth Cymru
Funded by
Welsh Government

Our meetings are held once a month on the first Tuesday in every month. We meet in the Rogiet Church Hall.

Please come along as a guest to one of our meetings to meet us and see what we do.

Our meetings start at 2pm so please come along 10-15 minutes before that time so we can say hello and find you a seat.

Rogiet WI

95 years young!

This year marks the 95th anniversary of Rogiet WI, reflecting a significant milestone. Over the years, the Women's Institute has adapted to changing times yet remains engaged and essential. Rogiet WI continues to offer opportunities for women to connect, participate in social and educational initiatives, and contribute to discussions on matters of significance at local, national, and global levels.

Rogiet WI

The first Tuesday of every month in Rogiet Church Hall at 2pm

New members are always welcome. Just turn up at one of our meetings or contact Pam Fox on 07510376656

Rogiet WI

Our meetings this year

Throughout this year, our meetings have been enhanced by a variety of distinguished guest speakers. Notable sessions have included a presentation from representatives of 'Mind' focusing on children's mental health, an informative talk on conservation efforts to protect natural wildlife, and a comprehensive overview of lasting power of attorney, detailing its functionality, benefits, and significance. Additional sessions featured demonstrations in Reiki healing and the therapeutic potential of crystals, as well as flower arranging using locally grown flowers. Looking ahead, we have scheduled a singing and vocal workshop and an armchair fitness session.

Rogiet in Bloom 2025

Undy and Magor Horticultural Society kindly judged the entries for our Rogiet in Bloom 2025 competition this summer and, on October 8th, we were delighted to host a prize-giving ceremony for the winners.

Many congratulations to all participants! We'd like to thank you all for taking the time to enter and for the efforts made to make your gardens look so beautiful!

The winners in each category were:

Most Colourful Garden

Runner-Up: Mrs G & Mrs R Hayes

Winner: Terry Bessant

Best Container and /or Hanging Basket Displays

Runner-Up: Mr SP Jones (Stuart)

Winner: Louisa Smith

Most Insect/Wildlife Friendly Garden

Runner-Up: Jane Bate

Winner: Terry Bessant

Tallest Sunflower

Winner: Phil Ellwood

The Winners and Runners-Up received National Garden Gift cards for £40 and £20, respectively.

Here are some photos of the gardens of the Winners and Runners-Up:

Caldicot Veterans Hub - update

Since the formal establishment of the Caldicot Veterans Support Hub back in May of this year and following our initial AGM, much progress has been made and the size of our membership has gradually increased. Our members include not only Veterans and Reservists of the Royal Navy, Army and Royal Air Force and their families, but also former Merchant Seamen, as many conflicts or operations would also be supported by the Merchant Fleet.

The whole reason we meet every fortnight during the daytime in the St Mary's Church Community Hall, Caldicot is to have a chat and a brew. We meet again the following

fortnight, this time in the evening in the **Severn Tunnel Non-Political Club in Rogiet** for a chat and this time a beer or two. This permits any of our members who work and cannot attend the day time meetings to join us.

You may ask why us Veterans meet up together in what is an almost a closed get-together group. It is important to understand that Veterans often find it easier to chat over their sometimes difficult or challenging military experiences with other Veterans, as civilians may not fully comprehend the details or the potential impact on a person of the events that have happened whilst on operations.

Our Hub meetings now have started to include guest speakers and there are more planned for the future. A visit to the National Memorial Arboretum in Staffordshire next year is on the cards. On that trip our members and their families will be able to pay their respects to our fallen Servicemen and women from the many past military conflicts and operations.

The ever-expanding Military Veterans Community living in Caldicot and surrounding area is surprisingly large. This not only includes members of the Veterans Hub, but also the members of the Royal British Legion Caldicot and District Branch and the members of the Combined Armed Forces Veterans Breakfast Club. Now many of the Veteran are members of all three Groups or sometimes just one or two, but the combining of these three groups has brought a deep sense of comradeship and belonging.

The important thing is us Veterans meet up for mutual support and in respect to our individual Service history. Yes, the inter-Service banter is the order of the day at any meeting, but that is a product of our sometime strange military sense of humour, which is likely to pass over the heads of our civilian friends.

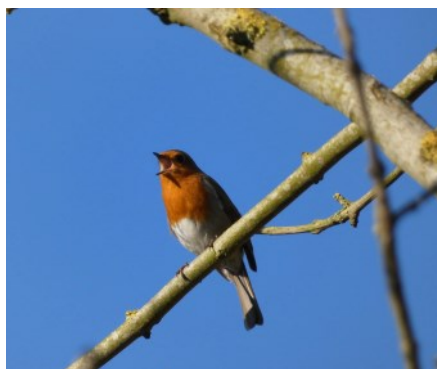

So, if you have a family member, or you know someone who has a military service background, and they may not be aware what we do when we gather together to chat, please let them know about us and urge them to get in touch with any of the three Veterans Groups via myself.

Ron Bennett (Mobile : 07985 471691)

Chair of Caldicot and District RBL Branch & Chair of Caldicot Veterans Support Hub

Walking in and around Rogiet (article by Cllr Phil Ellwood)

Did you know that there are miles and miles of beautiful and varied walks on public rights of way and other paths in and around Rogiet? We are blessed with easy access to the Wales Coast Path, Slade Woods and pleasant routes to the nearby settlements of Undy, Caerwent, Caldicot, Portskewett and Sudbrook - or further afield, if you like.

I have assembled a collection of favourite local walks that my wife Helen and I have done over the last few years.

You can access these at my Outdooractive account here:

<https://out.ac/zNAwa>

From this platform you can view and navigate the routes, download and print them, or export the .gpx data files to use on your own favourite device and navigation app. (Outdooractive account sign-up required for download and export).

This is a growing collection. Feel free to bookmark and visit again.

Happy and healthy walking!

Rogiet Primary is a Vibrant and Ambitious School, states Estyn

Rogiet Primary School was praised by Estyn for being 'a vibrant and ambitious school, where pupils of all ages engage in their learning happily'.

Inspectors found that 'leaders and staff work together well to provide a caring and nurturing environment where pupils develop a strong range of learning and life skills'.

Estyn commended the school on its interesting and meaningful curriculum where teachers skilfully adapt to pupil's interests and curiosities enabling pupils to enjoy the opportunities that influence the content of their learning.

The school delivers purposeful learning experiences that enable pupils to develop a secure understanding of their heritage and diversity of both Wales and the wider world. Staff also make good use of the local area to help develop a sense of belonging and community awareness.

Reflecting on the report, head teacher Paul Hamer said, 'We are extremely pleased and proud of the outcome from our latest Estyn inspection. Estyn has recognised the school's overwhelming focus on the pupils' progress across all areas of the curriculum; their skills development; and their zest for learning. This is testament to the hard work and dedication of all our stakeholders: the staff who foster an inclusive, caring and nurturing ethos; the governors who have been professionally enquiring; the brilliant pupils who are impressively proactive; and the parents/carers who have been supportive and their positive relationship with the school.'

October 2025
